- b. provide us with such documentation, photographs and information as we may reasonably request to comply with our regulatory obligations.

1.2. These General Terms and Conditions incorporate the Privacy Policy and any other Supplements by reference.

1.3. Once you have completed the SignUp and you have passed our internal checks, we shall make the functionalities of the Joompay Application available to you. Being a new company that continuously develops its products and services, we may be unable to make available to you in the Joompay Application all the features described below right away. We will be working on making such features available to you as soon as possible.

1.4. You confirm that you have provided correct, true and up to date information and documents during the onboarding process of subscribing to Joompay Services. You undertake that, if your details change, you will notify us immediately. You shall bear any losses that occur due to the submission of invalid, inaccurate or outdated information and documents.

2. Regulatory Information

2.1. These General Terms and Conditions are between you (the “**User**”, “**you**” or “**your**”) and Joompay Europe S.A. (“**Joompay**”, “**we**”, “**us**” or “**our**”). Joompay is a public limited company (société anonyme) incorporated in Luxembourg and registered with the Luxembourg Trade and Companies Register under number RCS B234303 and whose registered office is at 21 Rue Glesener, L-1631, Luxembourg, Grand Duchy of Luxembourg. We are included in the CSSF’s Register of Electronic Money Institutions under number W00000015 which can be confirmed on the CSSF website.

2.2. The Joopay Cards are issued by Joopay. By agreeing to these General Terms and Conditions, you are deemed to have agreed to the relevant Joopay Card Terms and Conditions which are included in Schedule 3 to these General Terms and Conditions.

2.3. We are also subject to the rules of the 2009 Law which implement the rules of EU Directive 2015/2366 on payment services in the internal market (“**PSD 2**”) and EU Directive 2009/110/EC on the taking up, pursuit and prudential supervision of the business of electronic money institutions (“**EMD 2**”) into Luxembourg law.

3. Commencement, Term and Your Joopay Account

3.1. The contractual relationship governed by these General Terms and Conditions between you and Joopay shall commence on the day that Joopay confirms to you via the Joopay Application that your Joopay Account has been approved and shall continue until terminated in accordance with these General Terms and Conditions.

3.2. Your Joopay Account is an account in which Electronic Money, which Joopay has issued to you in exchange for receiving funds from you or which has been transferred to you by third parties, is stored. The Joopay Account may be used by you to enter into:

- a. Account Transactions; and
- b. Card Transactions.

3.3. You may be required to provide supplemental information to us to be able to use all of the functionalities available.

3.4. When we hold Electronic Money for you, us holding the funds corresponding to the Electronic Money is not the same as a bank holding money for you in that: (a) we cannot and will not use the funds to invest or lend to other persons or entities; (b) your Electronic Money will not accrue interest; and (c) your Electronic Money is not covered by the deposit protection scheme of the Fonds de Garantie des Dépôts Luxembourg (“**FGDL**”). The funds corresponding to Electronic Money will be held in one or more segregated bank accounts separately from our own funds, in accordance with the provisions of the 2009 Law.

3.5. You are only able to store electronic money in euro currency in your Joopay Account.

3.6. We may stop your access to the Joopay Account, the Joopay Card and/or the Joopay Services in case:

- a. of reasonable grounds relating to the security of the Joopay Account or the Joopay Card;

- b. of reasonable grounds relating to the suspected unauthorised and/or fraudulent use of the Joopay Account or the Joopay Card;
- c. we determine that there is a risk that you will not be able to fulfil your payment obligation;
- d. we do so due to a local or foreign legal, regulatory or contractual provision or due to a decision, request or instruction of a local or foreign authority (including supervisory and judicial authorities);
- e. we stop providing all or some Joopay Services to our clients, subject to at least 2 months prior notice to you; or
- f. you have not used the Joopay Services for at least 3 years.

If we do stop your access in such instances, we will inform you via the Joopay Application or other means by stating the relevant reasons for blocking, as far as possible before blocking, but at the latest immediately afterwards and direct you to our customer services team. We will only inform you provided that this notification would not constitute a breach of legal obligations.

Joopay will lift the blocking and re-activate your Joopay Account, if the reasons for blocking are no longer applicable. We will immediately inform you about this. We may request that you supply additional information or supporting documentation in order to ensure that we are comfortable restoring your account access or removing any restrictions.

3.7. Joopay can prohibit an account information service provider or a payment initiation service provider from accessing the Joopay Account if objective and duly substantiated reasons related to unauthorised or fraudulent access of the account by the account information service provider or the payment initiation service provider, including unauthorised or fraudulent initiation of a payment transaction, justify it.

4. The Joopay Application

4.1. The Joopay Application is our mobile application where you can, among other things and subject to certain conditions:

- a. open a Joopay Account and obtain a Joopay Card;
- b. verify your identity with us;
- c. perform top-ups via external payment methods accepted by us;
- d. issue instructions to perform Account Transactions;
- e. view your Joopay Activity;
- f. view the balance of your Joopay Account;

- g. access the security features of your Joompay Card; and
- h. enter the details of your external payment methods (e.g. payment cards).

4.2. The Joompay Application is only accessible via mobile applications, not via a webpage.

5. Your Joompay Card

5.1. Once you have been accepted as a Joompay Account holder, you will be able to receive or, in certain cases, to request your Joompay Card.

5.2. The issuance and your use of the Joompay Card is subject to the Joompay Card Terms and Conditions and the applicable fees and charges set out in Schedule 2 (Our Fees) of these General Terms and Conditions.

5.3. You may activate and de-activate a Joompay Card using the Joompay Application. Failure to disable the Joompay Card and reporting the fact that it has been lost or stolen, without delay upon becoming aware of it being lost or stolen may mean that you lose your right to any compensation for an unauthorised Card Transaction.

6. Verification of Identity

6.1. Based on Joompay's assessment during the Signup you may be requested to pass simplified or normal due diligence procedures applied by Joompay in accordance with applicable regulatory requirements. If we determine that you are eligible to go through the simplified due diligence, you will have the following limitations for the use of your Joompay Account and/or Joompay Card (the "**Unverified Joompay Account Limits**"):

- The maximum amount that can be added to an account in one or several incoming transactions is EUR 150;
- When funding the account with a payment card (*Add Cash*), only EEA issued cards can be used;
- Funding cannot be done with anonymous electronic money;
- The account can only be used for the purchase of goods and services;
- The account cannot be used to complete payments to certain merchant categories determined by us (for instance financial services, money transfers, gambling and gaming);
- Transferring funds with SEPA (*Cash Out*) is not possible;
- Transferring funds to other Joompay users (*P2P Payment*) is not possible;
- The lifetime cumulative amount that can be withdrawn in cash from such an account is limited to EUR 50.

In case of incoming transactions, which when settled would have the account exceeding the limits mentioned above or if funds are coming from anonymous sources (the actual sender is not identified), the transaction will be put on hold, and the account holder will be informed

that the account holder has 7 business days to complete the normal due diligence process, after which the transaction will be cancelled and the funds sent back to the sender.

6.2. In order to lift the Unverified Joopay Account Limits and enjoy the full functionality of Joopay Application, you may pass the normal due diligence procedures in the Joopay Application at any time. In certain cases (for example, when the information collected about you during the SignUp has changed or when initiating a transaction in excess of Unverified Joopay Account Limits, or we consider that it is necessary for us to comply with our internal or regulatory requirements) we may request you to pass the normal due diligence procedure in the Joopay Application by providing additional information and documents. In this case, we may make the use of your Joopay Services dependent on the completion of the normal due diligence procedure. Should you decide not to complete the normal due diligence procedure, we will have the right to close your account and, to the extent reasonably possible, send the remaining balance back to its funding source. Please note that Joopay Application and Joopay Services may be unavailable in certain countries or regions and your ability to complete the normal due diligence will be conditional on that and some other risk factors determined by Joopay at its sole discretion.

6.3. You agree to cooperate with all requests made by us or any of our third party service providers on our behalf in connection with your Joopay Account, to identify or verify your identity or validate your funding sources. This may include, but not limited to, asking you for further information and documents that will allow Joopay to identify you and verify your identity.

6.4. We reserve the right to close, terminate, suspend, or limit access to your Joopay Account and/or the Joopay Services in the event we are unable to obtain or verify such Information or documents or you do not comply with our requests.

6.5. We may confidentially verify the information you provide us with or obtain information on you ourselves or through third parties from secure databases. Some of the searches which we or a third party may perform, such as a credit check, may leave a soft footprint on your credit history. By entering into these General Terms and Conditions, you confirm that you consent to us or a third party on our behalf carrying out such verifications.

6.6. You must ensure the information and documents provided to us are always accurate and up to date. If at any time we believe that your information is outdated or inaccurate, we may contact you and request further information or documents or request that you go through verification processes again. Your Transaction Limit may be adjusted accordingly while we verify your identity. We shall not be liable for any losses arising out of your failure to maintain up to date information and documents.

7. Paytags

7.1. During the onboarding process you will be requested to create a Paytag enabling you to receive P2P Payments from other Joopay Users using just your Paytag. Similarly, you will

be able to send P2P Payments to other Joopay Users using their Paytags. You may change your Paytag up to three times in the Joopay Application or by contacting our support service.

7.2. The Paytag you choose shall contain at least two letters or numbers and shall not:

- a. contain a third party's copyright, trademark or brand;
- b. contain a term that is similar to, or might be confused with, or otherwise infringes a third party's trademark or brand;
- c. contain a name of a public figure, government official or another well-known individual (or be similar to it), unless you are that person;
- d. be offensive, misleading or inappropriate to be used in public.

7.3. You agree that any and all intellectual property represented by the Paytag belongs to Joopay or, as the case may be, to third party owners of copyrights, trademarks and brands. Joopay reserves the right to cancel and withdraw the Paytag chosen by you any time for any reason.

8. Top-Ups to your Joopay Electronic Money Account

8.1. In order to Top-Up your Joopay Account, you will need to either Add Cash with an external payment method like a payment card, or share a Paylink with a third party to Top-Up your Account using their card, or receive a Direct Deposit, or use any other method we accept from time to time.

8.2. We may, at our reasonable discretion (for example, without limitation, to limit fraud or credit risk), impose limits on the amount of money you can transfer and/or receive through the Joopay Services. In order to lift limits, you may need to provide us with supplemental information and documents we request.

Add Cash

8.3. In order to Add Cash with a payment card, you will need to add the details of the payment card onto your Joopay Application. You may only add details of your payment card to your Joopay Application if you are the named holder of payment card. References to payment cards include credit cards, debit cards, or other payment cards, including without limitation payment cards stored in Google Pay, Apple Pay or other electronic wallets, which you register for use on the Joopay Application (so-called stored cards) and which will be used by Joopay to receive funds against which we will issue Electronic Money to your Joopay Account or for other purposes under these General Terms and Conditions.

8.4. You will have an option of using an automatic Add Cash function. You will be able set up or cancel this function at any time using the Joopay Application. The automatic Add Cash function allows you to automatically Top-Up to your Joopay Account if the balance of your Joopay Account drops below a certain amount, which you set on the Joopay Application.

The Top-Up will use the payment card you choose, when you enable the automatic Add Cash function. Please make sure that there is enough money for the Top-Up in the account your payment card is linked to.

Direct Deposit

8.5. You may also fund your Joopay Account by you or third parties performing a credit transfer from an account you hold with a bank or other payment service provider.

8.6. Upon our receipt of the Direct Deposit, we will issue the corresponding value of Electronic Money to your Joopay Account. The IBAN details of your Joopay Account to send the money to will be provided in the Joopay Application. Please take care to enter the correct bank account details when performing the bank transfers to make sure the money reaches us. If we receive your money in a currency other than euro, then we will not be liable for any fees, costs, expenses or losses that you may incur if our bank performs a currency conversion to change the money received into euros.

8.7. You agree and acknowledge that the IBAN details of your Joopay Account are only a referencing tool provided by our banking service provider in order to allow identification by us of the relevant payment transactions done by you. The IBAN details do not constitute an actual bank account in their own right and are linked to a specific actual bank account held by us. Accordingly, the IBAN details do not constitute or create an account or other type of relationship between you and our banking service provider and do not qualify for any deposit guarantee or any other protection or compensation schemes.

Paylink

8.8. You will be able to fund your Joopay Account by sharing a Paylink with third parties who don't have an account with Joopay, such as your friends and family. The person receiving the Paylink will be able to enter his or her payment card details, or use his or her Apple Pay or Google Pay wallet, and send a card payment to us, so that we would issue an equivalent amount of Electronic Money to you. The Electronic Money will be credited to your Account and will become available within 5 Business Days necessary in order for us to process this payment. You agree that the Paylink may only be used for personal use and may not be used for payment for goods or services, debt repayment or funding a merchant account.

Top-up Chargeback

8.9. Whenever you fund your Joopay Account through the Add Cash or the Paylink, such a card transaction may be contested on various grounds and reversed or charged back (a "Chargeback") to your Joopay Account in accordance with the rules of the relevant payment scheme. We will charge you a Top-up Chargeback Fee stipulated by the Schedule 2 (Our Fees) for handling the Chargeback relating to your Account. In addition to that, you shall remain fully and solely liable for any such Chargeback lost in accordance with the payment scheme

rules and you authorize us to recover the amount of any such Chargeback from you by debiting your Joompay Account. If there are not enough funds in your Joompay Account to reimburse the Chargeback and the Top-up Chargeback Fee, you agree that we may follow the procedure described in Clause 15.2 in relation to the amount you owe us.

9. Transactions

9.1. The following are “**Account Transactions**”:

- a. “**P2P Payment**” – this means you receiving Electronic Money into your Joompay Account from the Joompay Account of a different Joompay User or sending Electronic Money from your Joompay Account to the Joompay Account of a different Joompay User; and

- k. a local or foreign authority (including supervisory and judicial authorities) forbids the execution of the order,
- l. third parties assert a claim on the balance in the Joompay Account,
- m. you exceed the Unverified Joompay Account Limits or other Transaction Limits, or
- n. for any reason under these General Terms and Conditions, the Joompay Account is to be blocked.

9.4. If Joompay does not execute the payment instruction, it will immediately inform you at the latest by the end of the following Business Day and, if possible, will state the reason for refusal to execute the transaction. If the rejection is based on factual errors, Joompay will inform you of a procedure for correcting these errors. Specification of the reason or reference to such a procedure can be omitted if this would constitute a breach of legal provisions by Joompay. Joompay can demand a fee for a justified rejection.

9.5. Joompay provides virtual receipts for successful Account Transactions, which are accessible on the Joompay Application. In addition to virtual receipts, merchants should provide you with receipts when you enter into a Card Purchase. 10.3. If the Counterparty is already a Joopay User, you will be informed on the Joopay Application, prior to confirming your request to enter into the P2P Payment, of:

- a. the Counterparty's name;
- b. the amount of Electronic Money you wish to send to the Counterparty; and
- c. the fees for the P2P Payment, if applicable.

10.4. In order to submit the instruction for a P2P Payment, you will need to confirm the details which have been entered by following the onscreen instructions in the relevant part of the Joopay Application. Once you have provided confirmation (provided the Counterparty is a Joopay User), then at this time we will have been deemed to have received your request to perform the P2P Payment.

If the Counterparty is not a Joopay User, then the request to perform a P2P Payment shall be pending and shall not be deemed as received until the Counterparty is approved as a Joopay User eligible to receive such a transfer. The Counterparty will receive an SMS or an email with instructions on how to open a Joopay Account. You authorise Joopay to send an SMS and emails to the Counterparty on your behalf. If the Counterparty does not sign-up to Joopay, then the pending P2P Payment instruction will be deemed as not having been received by Joopay.

11.5. Since the instructions relate to payments in euro we shall ensure that the amount of the Cash Out is credited to the Counterparty's payment service provider's account by the end of the Business Day following that on which your instruction to execute the Cash Out was deemed to have been received.

11.9. If, for whatever reason, the funds that have been converted into a currency other than euro pursuant to Clause 11.6 above are not deposited in the Counterparty Bank Account and are returned to Joompay in such other currency, they will be converted into euro as the currency of the Electronic Money they were originally withdrawn from. Due to the difference in price for purchasing and selling currencies and/or fluctuations in currency exchange rates, the amount of Electronic Money you receive back into your Joompay Account may be more or less than what was originally redeemed to perform the Cash Out. Fees and foreign currency exchange losses resulting from this conversion are borne by you. Joompay is not liable for any losses you incur in this respect.

15.Your Balance and Transactions in Excess of Your Balance

15.1. You acknowledge that balances and available funds reported on the Joopay Application are only approximate real time balances rather than the settled balances in your Joopay Account. A real time balance may not take into account pending debits and credits. Joopay will provide you with information on pending debits and credits as soon as it has that information. Joopay may at any time adapt the balances, including re-debiting credited amounts in case funds are not received by Joopay or funds are retransferred by Joopay, e.g. as a result of transaction reversals. A transaction reversal can take place, amongst others, if there is a transaction reversal on the means of payment used for a Top-Up of your Joopay Account. The circumstances under which a transaction reversal can be made are amongst others determined under the contractual or legal provisions applicable to the means of payment used (e.g. payment cards or bank accounts). Joopay is not bound to check the

22. Our Liability with Respect to Unauthorised Transactions

22.1. We assume that all Transactions are authorised by you unless you notify us or we noticed otherwise.

22.2. Failure to notify us immediately on becoming aware or within the 13 months of the date of the unauthorised or incorrectly executed Transaction will result in you losing your entitlement to have the matter corrected, and will be deemed as approval and ratification and the information provided to you will be deemed to be irrevocably correct so that you cannot directly or indirectly challenge these transactions. In case you do not notify us within 5 business days upon becoming aware of the relevant transactions you will not be considered as having notified us immediately as required by this Clause.

22.3. Where it is established that a Transaction was not authorised by you, or was incorrectly initiated or executed by us (provided we can prove such incorrect transaction has taken place) and you have notified us in accordance with Clause 22.2 immediately upon becoming aware and in any case within 13 months of the date of the unauthorised Transaction, unless Clause 22.4 applies, we shall refund to you the amount debited without authorisation and, where applicable, take any other action necessary to restore your account to the state it would have been in had the unauthorised or erroneous transaction not taken place.

22.4. However, without prejudice to Clause 22.3 above, where there is a high suspicion of an unauthorised transaction resulting from your fraudulent behaviour and where that suspicion is based on objective grounds which are communicated to the relevant authority, we shall conduct, within a reasonable time, an investigation before making a refund of the transaction.

23. General Liability

23.1. We shall not be liable for non-execution or defective execution in relation to a P2P Payment or a Cash Out we have made in accordance with a unique identifier given to us by you which proves to be incorrect. However, we shall make reasonable efforts to recover funds involved in that transaction and may charge you for doing so, including passing on to you charges made by intermediary banks and/or the payee's bank for their assistance in the tracing process.

23.2. We are not liable to you for the correct execution of a P2P Payment, a Cash Out, an ATM Withdrawal or a Card Purchase, if we can prove to you (and where relevant, to any payee's payment services provider) that the payee's payment services provider received the payment within the appropriate time period. We will however, upon your request, make efforts to trace any non-executed or defectively executed payment transactions or any Cash Outs which were correctly executed to an account which is deemed fraudulent and notify you of any outcome involving our search.

23.3. In the event of an incorrect execution of a payment order, Joompay, with the exclusion of a refund, can also initiate measures for corrective action to the extent possible if the payment order contains all the information necessary to take corrective actions in relation to the relevant incorrect execution, particularly in cases where Joompay has transferred an amount that is different from the amount specified in the payment order.

23.4. We are liable to you for the correct transmission of a payment order representing a Top-Up via payment card within the relevant time limit. Where we are liable, we will immediately re-transmit the payment order in question.

23.5. We shall not be liable to you for any:

Majeure Event, bank delay, technical failures including IT failures of either third party service providers used by the Company or of the Company, provided that such a technical failure of the Company is resolved within twenty-four (24) hours, postal delay, failure or delay of any fax or electronic transmission, any accident, emergency, act of god or any abnormal or unforeseeable circumstances; or

- b. consequential or indirect loss (such as loss of profits or opportunity) you may incur as a result of us failing to perform our duties under an Account Transaction; or
- c. losses as a result of a requirement imposed on us by the 2009 Law or our obligations under the laws of any EEA state or other jurisdiction.

23.6. You are responsible for all liabilities, financial or otherwise, incurred by Joopay, a Joopay User, or a third party caused by or arising out of your breach of these General Terms and Conditions, your use of the Joopay Services, and any use of your Joopay Account. You agree to reimburse Joopay, a Joopay User, or a third party for any and all such liability, to the extent not prohibited by applicable law.

23.7. You remain liable under these General Terms and Conditions in respect of all charges and other amounts incurred through the use of your Joopay Account at any time, irrespective of termination, suspension or closure.

23.8. You alone are responsible for understanding and complying with any and all laws, rules and regulations of your specific jurisdiction that may be applicable to you in connection with your use of the Joopay Services, including but not limited to, those related to export or import activity, taxes or foreign currency transactions. You are liable to the state and other subjects for fulfilment of all tax obligations independently. You agree to defend, indemnify, reimburse and compensate us and hold Joopay, our third-party providers, our employees or agents who are authorised to act on our behalf harmless from any claim or demand (including but not limited to legal fees) made or incurred by any third party due to or arising out of your breach of these General Terms and Conditions, breach of any law and/or use of the Joopay Services.

23.12. To the extent permitted by applicable law, Joopay is not liable, and you agree not to hold it responsible, for any damages or losses (including, but not limited to, loss of money, goodwill, or reputation, profits, or other intangible losses or any special, indirect, or consequential damages) resulting directly or indirectly from:

24.2. Joompay is not responsible for the withdrawal payment once the funds are received by your payment service provider as Joompay is the payer and not the payment service provider for withdrawals.

25. Closing Your Account

25.1. If your Joompay Account holds a positive balance at the time of its closure, we may ask you to withdraw your funds within a reasonable period of time, during which your Joompay Account will be accessible for the purpose of withdrawing the remaining balance only. After the expiry of this period you will not be able to access your Joompay Account. Joompay reserves the right to consign any remaining funds with the Caisse de Consignation (the Luxembourg State Treasury).

25.2. You may not close your Joompay Account to evade an investigation. If you attempt to close your Joompay Account while Joompay is conducting an investigation, it may freeze the account to protect all parties to the Joompay Services, its affiliates, or a third party against any liability. These changes will be deemed to have been accepted by you where you do not, before the proposed date of the entry into force of the changes, notify us to the contrary. If you do notify us to the contrary, your notification will be deemed to be a notice that you wish to close your Joopay Account and terminate these General Terms and Conditions on the date upon which the changes are to take effect.

31.2. Where an amendment to these General Terms and Conditions is required by law or relates to the addition of a new service, extra functionality to the existing Service, a reduction in the cost of the Services or any other change which neither reduces your rights nor increases your responsibilities, the amendment may be made without prior notice to you and shall be effective immediately.

32. Fees

32.1. The fees we charge for the Joopay Services are set out in the Schedule 2 (Our Fees) to these General Terms and Conditions. 34.Termination

34.1. Joompay, in its sole discretion, may terminate these General Terms and Conditions at any time, by giving you two months' notice. The termination of these General Terms and Conditions will not affect any of our rights or your obligations arising under these General Terms and Conditions.

34.2. You may terminate these General Terms and Conditions at any time by providing us with one month's notice, such notice to be provided using support_me@joompay.com.

34.3. Without prejudice to any rights that have accrued under these General Terms and Conditions, or any party's other rights or remedies, either party may at any time terminate these General Terms and Conditions with immediate effect by giving written notice to the other party if:

- a. the other party commits a material breach of any term of these General Terms and Conditions and (if such breach is remediable) fails to remedy that breach within a period of 30 days after being notified in writing to do so;
- b. the other party repeatedly breaches any of the terms of these General Terms and Conditions in such a manner as to reasonably justify the opinion that its conduct is inconsistent with it having the intention or ability to give effect to the terms of these General Terms and Conditions;
- c. the other party is subject to a bankruptcy, insolvency, winding up or other similar event; and/or
- d. the result of laws, payment scheme rules, regulatory authority rules or guidance or any change in or any introduction thereof (or change in the interpretation or application thereof) means that it is unlawful or contrary to any such law, rules, order or regulations for either of the parties to perform or give effect to any of its obligations hereunder and such obligation cannot be readily severed from these General Terms and Conditions.

34.4. Without prejudice to any rights that have accrued under these General Terms and Conditions or any of the party's rights or remedies, we may at any time terminate these General Terms and Conditions with immediate effect by giving written notice to you if:

- a. we are unable to verify your information in the manner set out in these General Terms and Conditions;

- c. there is a significant fluctuation (either positive or negative) in the aggregate number of Transactions you enter into;
- d. you present an unacceptably high risk for Joompay;
- e. you have acted or omitted to act in any way which we reasonably determine to diminish Joompay's business operations and/or reputation and/or goodwill and/or which we reasonably determine or suspect to give rise to any offence or any increased risk or liability to us; and/or

- f. we are unable to provide the Joompay Services to you through the inability of any third party to provide us with any good and/or service that we require to provide the Joompay Services to you.

34.5. Other actions we may take. If you have breached the terms of these General Terms and Conditions (including a breach of your obligation to pay us any amount owing), we are otherwise entitled to terminate these General Terms and Conditions, or we may: suspend your use of the Joompay Services (in whole or in part) in which case we will not treat any order for an Account Transaction that you may wish to make as being received by us; report any Account Transaction, Card Transaction or any other relevant information about you and your use of the Joompay Services to the relevant regulatory authority, law enforcement agency and/or government department; and/or if appropriate, seek damages from you.

34.6. Termination of these General Terms and Conditions requires the closing of your Joompay Account and the termination of all Joompay Cards and the associated Joompay Card Terms and Conditions (as applicable). Joompay will deal with your remaining balance in accordance with these General Terms and Conditions and the applicable laws, however, in certain cases where we terminate these General Terms and Conditions pursuant to Clause 34.4 you may be unable to access your remaining balance or we may be unable to release the funds until the applicable requirements are satisfied.

34.7. Any terms which by their nature should survive, will survive the termination of these General Terms and Conditions.

35. Third Party Providers

35.1. You can choose to allow a Third Party Provider (TPP) to access information on your Joompay Account, to combine and display information about your Joompay Account with information from accounts you have with other payment service providers, and, if applicable to your Joompay Card, to make payments for you from your Joompay Account, provided the TPP is authorised by a European regulator and you have given your explicit consent.

35.2. If you do, you must keep us informed of any incorrect or unauthorised transactions that happen so we can take steps to stop further misuse of your Joompay Account and your Joompay Card and arrange any refund you've been entitled to.

35.3. If you are thinking of using a TPP, it is important you check with the applicable regulator whether it is authorised before you use it.

35.4. We can refuse or stop access to a TPP if we're concerned it is not authorised or if we believe it's fraudulent or acting fraudulently. If that happens, we'll contact you to explain why unless we believe that would compromise our security or it would be unlawful.
